CANCHALAGUA;
FOR THE COMPLETE CURE OF
COUGHS, COLDS, INFLUENZA,
ASTHMA, BRONCHITIS, SPITTING
OF BLOOD, AND ALL OTHER LUNG
COMPLAINTS TENDING TO
CONSUMPTION
NO OPIUM.

This Syrup contains a number of roots and
herbs and vegetable substances, which have a
peculiar and specific action, and their compo-
sition is calculated to remove all the morbid
matter from the lungs and air passages thus re-
moving the Constitutional tendency to Con-
sumption, and giving the system a power to
assorb and expel all the morbid matter in the
body.

It will also remove the mucus, which would
otherwise thrown back upon the lungs, thus
relieving them of part of their work, and rendering
the system more capable of expelling the morbid
matter, which it has taken place. It assists
the lungs in throwing off the morbid matter
more easily, and gives the system a power to
assorb and expel all the morbid matter in the
body.

It is a powerful medicine, and its effects are
very rapid.

scribers.
